

## Directions

---

The Salty Approach airstrip is located on North Captiva Island. North Captiva is one of the barrier islands off the west coast of the Florida peninsula, west of Cape Coral. We are bordered on the East by Pine Island Sound and to the West by the Gulf of Mexico. You can only get to the island by boat or airplane. Via boat through Pine Island and via airplane only if a member or the guest of an active member.

277 degree radial from RSW VOR at 25.5 miles.
